Agoura High School
Student Council

Dear Parent:

Your son/daughter has expressed the desire to participate in Student Council as either an elected or appointed officer. We ask you to read through the information in this packet and discuss the time commitment necessary for Student Council with your child. Many students drastically underestimate the amount of time and effort required for a council member. Student Council is a very demanding yet rewarding experience.

Please have your child read through and initial the following statements. We ask you to sign and return this letter indicating that you are aware of the requirements of the class and the time commitments your son or daughter will be involved with if elected or appointed.

Sincerely,

Colin Buchanan
Director of Activities
